Dear Brother Knights,

Last week a few of our Council members along with several thousand members of our Order attended a Coronavirus Restrictions Webinar (audio and video conference.)

Since the cancellations of so many activities, Supreme suggested that we conduct "business" by using one of several websites. This we will set up in the next few days. Unfortunately we will not be able to accommodate all of our members, those who do not have a computer etc.

Because of the coronavirus epidemic, Supreme has developed a new program:

"Leave No Neighbor Behind"

1. Reach out to members - even if it is just an occasional phone call.
2. Provide For Your Parish - the parish bills (utilities, etc.) as well as your own still have to be paid. Be as generous as you can within your means.
3. Care For Your Community - We are our communities and anything we can safely do is helping ourselves.
4. Promote Blood Donations - There is a shortage of blood at this time. Blood donation is safe as long as you follow the safety guidelines given to us by our state and federal officials.
5. Support Local Food Banks - Those less fortunate still need assistance with food etc.

St. Raphael Parish has been having a daily Mass at noon via computer. If you wish to view it contact me and I will send you a "Link".

Please keep in your prayers our Brother Knights Robert Gagnon, Ray LaCasse, Rick Plichta, Peter Fleming and all those who are sick. Pray that God will give them strength and healing.

Remember to pray for all those who are suffering from the coronavirus, and for all the healthcare workers.

This will definitely be a very different Holy Week and Easter season for all of us. There are many opportunities to view Mass on TV.

Do you have time to pray? God has time to listen.

For any questions or comments, please feel free to contact me at (H) 603-668-1039 or by email: coulomb@gmail.com
